Information Liaison Panel

Sign-up sheet – DFC Fiscal Yr 2

Information Liaison: Panel members will work collectively and with DFC staff to act as liaisons between the coalition and the community. Panel members will be asked to provide updated information to coalition members regularly on issues, both proposed changes and changes occurring, that could have an impact on ATOD issues being addressed by the coalition. Some examples would include agenda items before the city council or school board or ATOD related issues being addressed by the coalition at an activity/event. Updated information will be given to the coalition membership through normal communication channels for proposed support or action. Panel members are solely information collectors and do not necessarily endorse or give support to any reported item. Panel members will also assist in providing insight into possible
